Colchester Operatic Society would like to thank Holmwood House School for the use of their hall for this concert, provided free of charge. The school offers quality education, care and facilities for children aged three months to thirteen years. For more information please see [www.holmwood.essex.sch.uk](http://www.holmwood.essex.sch.uk) or call 01206 574305.

Many thanks go to Montgomery Infant School and Colchester Garrison Officers' Club for the use of their halls for rehearsals. For membership details of CGOC please see [www.cgoclub.co.uk](http://www.cgoclub.co.uk) or call 01206 571108.

Having seen a definite need for Recovery Houses, H4H are working hard to raise a further £20 million pounds to build 7 houses across the country. The Erskine house is already complete, and the charity are now raising funds for the Colchester house.

At the request of the Adam Rogers Trust Care Team at Addenbrooke's, our contributions will pay for medical equipment for the use of the patients e.g. wheelchairs and special pumps for dispensing drugs. These items will help enormously with the care of children in hospital and at home.
