Dear All,

On behalf of the casting committee and COS management committee I would like to thank each and every one of you for your auditions. Once again we experienced a high standard throughout and many of the parts could have been cast several times over.

Obviously many of you have not got the parts you wanted but you can rest assured that in the opinion of the casting committee, you did yourselves credit. Our task was to provide a balanced credible and importantly compatible cast for this production and we are satisfied that we have achieved that from the people available.

I must stress, as with all productions by Colchester Operatic Society. All members of the company accept their roles on a provisional basis and if the artistic team do not feel that any participant is not achieving the expected level of performance or commitment throughout the rehearsal process they are at liberty to ask the Executive Committee to review the casting decisions made today.

Thank you once again to everyone involved in this process and all the hard work they have put in to make both sets of auditions run smoothly.

Regards

Mark Fincham
