

Dear Diane,

Janet and I would like to thank you very much for the invitation to see Grease put on by C02. We attended on Thursday evening and had a very enjoyable evening.

We were very impressed by the standard of dancing and singing carried out by the youngsters and could easily rate their performance on a par with some of the professional shows we have seen in the West End.

We would be grateful if you could pass on our comments to all the youngsters, including those who are unseen and working backstage (the show would not go on without them) and pass on our best wishes for their future, especially those intending to take up a singing/dancing career.

Once again thank you very much for inviting us to such a pleasant and very enjoyable evening.

Yours sincerely,
M
